EDGE DRY GOODS CO. FALL OPENING

Large Crowds of Ladies Filled Store
to View the Fashionables On Dis-
play.

According to announcement the
fall and winter opening at the popular
store of Edge Dry Goods Co. took
place today and in points of interest,
attendance and satisfying bargains,
was a brilliant success.

The weather was ideal, crowds of
visitors from Bryan, College and sur-
rounding country filled the big store
throughout the entire day and a very
handsome sales business was the re-
sult.

The season's prettiest fashions were
on display in every department, mak-
ing a bright, attractive place of this
busy store. The show windows were
especially artistic in honor of Opening
Day and reflected credit upon the skill
of the painstaking window trimmer.

Mr. Jim Thomas, head of the men de-
partment of this store.

Newest fabrics for dresses in silks,
wools and velvets were shown and
in the long cabinets, filled with novel-
ties and trimmings, were seen all the
accessories which dame fashion orders
"best" for this season.

The entire second floor of the build-
ing is devoted to the display of mil-
linery and ready-to-wear garments and
its spacious attractiveness added
much to the splendid success of the
style show.

The millinery parlors were attrac-
tively decorated with natural vines
and growing ferns and amid these
pretty surroundings, Miss Posey, the
head of this important department,
won new friends and honors today by
her exquisite work in the fashionable
art of millinery. She is assisted by
Mrs. Ewing and an able corps of help-
ers, who are all anxious to please ev-
ery customer.

For the ready-to-wear department
Messrs. Edge, with their usual pro-
gressive business ideas, had secured
living models for the better display of
the many handsome calling and recep-
tion gowns, evening dresses and ex-
quisite coat suits and cloaks to be
found in their well-filled cabinets.
This was a real treat to the ladies of
this city and they were profuse in
their thanks for such an opportunity of
seeing the season's styles so attrac-
tively shown.

Madame Bollintheus, the model who
wears the number 36 so perfectly, was
especially pleasing in the afternoon
display.

The opening will continue through-
out the evening, with the living models
from 8:30 to 9:30 o'clock. The
management of Edge Dry Goods Co.
cordially invites the ladies of Bryan
to be present this evening.

Dr. H. L. Fountain returned today
from Galveston, where he has been
recuperating for some days.
